About Us

New York's Patty 'N Toast is a New York-styled delivery restaurants specializing in serving and delivering patty melts, burgers, fries and more. We serve one of America's quintessential favorites since the 1950s, the Patty Melts!

At New York's Patty 'N Toast, the most luscious, beautiful and amazing patty melts beckons to the restless and the hungry. Patty Melt is a variant of the traditional American Cheeseburger, taking the burger back to its roots by serving it on bread rather than a bun. It is essentially an epic crossover between a grilled cheese and a hamburger!

Our Patty Melts are next level stuff, made with the best ingredients (i.e 100% Australian beef, chilled chicken, and more), artisan rye breads and the best cheese around. We then work twice as hard in our kitchens every day to handcraft each and every patty melts. In other words, we are set out to make the most amazing Patty Melts on the planet!
